

Would you like to help your community by sharing your opinion of local businesses?

Now you have your chance to do just that and earn money for the Bloomingdale PTA at the same time!

Starting March 1st, for three weeks only, visit The Bloomingdale PTA page at Insider Pages: <http://www.insiderpages.com/fundraisers/Bloomingdale-PTA>

Review any business that you've visited, either locally or anywhere in the country. For each business that you review, the PTA will earn \$1.50 if yours is the first review and \$0.50 for subsequent reviews! It's that easy! This deal is for a limited time only, so please head to your computers and start reviewing!

Who?

Anyone 18 or older can write reviews. Simply join the fundraiser on the site. Invite your friends and family around the country to join the fundraiser and review their local businesses too!

What?

What stores have you visited and what services have you used recently? You can review any business in the USA (except chain stores/restaurants) you've visited including: doctors, lawyers, dentists, orthodontists, hairstylists, mechanics, veterinarians, pet stores, gyms, restaurants, home contractors, plumbers, electricians, yoga studios, landscapers, etc. Use your phone book to jog your memory!
